Carolina Blue – 85949

Grey – 85950

Royal Blue – 85951

Purple – 85952

Grade 3&4 Program Description |

Players will be introduced to a new ball size (27.5) and will continue to hone their skills. The goal will continue to be based on having fun and developing a passion for the game. Ideally, at the end of their program players will be able to pass & catch, dribble with both hands, shoot with proper form and be comfortable on the court with or without the ball. Players will participate in 3 on 3 play on 8 foot helps to support the development of proper shooting technique and promote lots of touches on the ball. Coaches will act as referees for games on Saturdays.

Evaluation Date | Nov. 11th

This date is the opportunity for our coaches & coordinators to create parity based teams. Since our teams are recreational in nature they will have players at all levels of the ability spectrum. Our only goal for this date is to give players a chance to get on the court before the season and for us to create teams as evenly as possible. The better the parity in teams the more competitive, enjoyable and educational your experience will be.

Creating Teams |

Since weekend games are now part of the program ORYA will select teams to practice and play together. Since this is an in-house recreational program teams are created with a mix of ability levels and offer parity between teams for weekend games. We will do our best to accommodate as many schedule requests as possible but accommodating all are simply impossible.

Practice Schedule |

ORYA is not able to offer a training schedule until all coaches have been identified and their

requests/conflicts have been gathered and compared against gym availability. This is an ongoing process during registration and just after. We hope to announce your practice schedule at the same time we offer your team color and uniform order code.

Grade 3&4 teams will practice once per week M-F. Most practices will be held at either the Moharimet or Mast Way gyms.

Player Conflicts |

With 300+ kids in the program, creating parity based teams, limited mid-week gym availability and factoring coach availability avoiding conflicts is impossible. However, we will try our best! During registration you will have the opportunity to tell us if your player(s) has any nights they cannot practice. Please only note conflicts when they are legitimate and not just preference.

Uniform Shirt & Ball |

Each team will receive a different color uniform shirt. Once teams are created, following our evaluation date, ORYA will send each team their uniform order code which will represent the color specific to your team. Each family must order their uniform shirt with the code given.

Your uniform order window will be November 15th – 20th.

If you order your shirt within the window deadline you will receive your program shirt and basketball as part of your program tuition. In order to guarantee the correct size shirt, each family will be ordering their program shirt individually online. All orders will be completed online, via a Collin's Sports online store. We plan on receiving and distributing uniforms to all teams on Dec. 2nd.

Those that aren't ordered prior to the deadline will have the opportunity to be part of a late-order. One late-order will be placed on Dec. 8th. The late-order will not arrive in time for the season. Based on the amount of orders they will be processed and delivered as quickly as possible but possibly 2-3 weeks into the season.

If you register after the late order you will not be able to receive a program shirt and will only receive a ball if ORYA still has stock.

Program Outline Disclaimer |

ORYA Basketball has created the program outline above to accommodate the program numbers historically seen at this age group. As numbers dictate, ORYA may change the program approach to offer players a developmentally appropriate program based on number of players, age groups, ability levels, etc. of those that participate in the program.

Player Tuition |

The tuition for this program accounts for insurance (medical & liability), small equipment budget, program ball, program shirt, ORYA Admin & Capital Fund allocation, online payment processing fees and small stipend for coach education or skills coaches.
