Program Description |

This program steps up to twice per week sessions with a mid-week practice day and a Saturday morning 'game' day. Players continue to develop skills through fun games and exercises that incorporate their imaginations to get them excited about specific exercises they're being introduced to. Saturdays turn into fun, non-result based 'games' where small sided play is the focus. Game day offers players an introduction to soccer competition in an in-house environment where quality of play and building on what was learned at practice is the judgement of success.

Uniform Ordering |

ORYA's Academy program requires a uniform which is NOT part of your program tuition. This will be an additional cost of \$35. Your uniform can be used from season to season so you only need to purchase a uniform if you are new to the program or otherwise need a new uniform. If your uniform fits from last season you don't need a new one!

All uniforms ordered before the deadline of March 2nd will be shipped to the ORYA office (to save on individual shipping costs) for you to pick up locally at our office in Durham. Uniforms can be expected 3 weeks after the deadline.

Any uniforms orders after the March 2nd deadline may be subject to an additional cost and may not arrive in time for the program start dates.

Team Snap |

Your volunteer coordinators will utilize Team Snap to communicate with you this spring. This easy & user-friendly app helps keep your schedule straight and allows to and from communications with your coach. Great for last minute schedule updates and player availability, we hope this app makes your season that much easier to keep track of! Be on the lookout for a Team Snap invitation following team placement communications.

Player Tuition |

The tuition for this program accounts for insurance (medical & liability), equipment budget, ORYA Admin (\$30) & Capital Fund allocation (\$10), online payment processing & merchant account fees, , porto-potties at each location used for soccer, field maintenance which may include mowing, irrigation-related costs, fertilization schedule, spot treatments, aeration, etc., and small stipend for coach education or skills coaches.

Your player tuition was developed with input from, and approved by, your volunteer Soccer Advisory Group members.

Program Outline Disclaimer |

ORYA Soccer has created the program outline above to accommodate the program numbers historically seen at this age group. As numbers dictate, ORYA may change the program approach to offer players a developmentally appropriate program based on number of players, age groups, ability levels, etc. of those that participate in the program.
