

BABE RUTH

In 2018 we plan on having a 13 year old team and a 14 & 15 year old team, each with a roster max of 13 players. **Registration is first come, first served.** If you register after the roster max has been reached you will automatically be added to a waiting list. If enough players register to create another team, a volunteer must step forward from that group of players. If we do not identify an additional coach or don't have enough to field an additional team we will work with neighboring communities to find a place for your player to play.

Program Description |

Babe Ruth players range mostly from 13-15 year olds. Teams are created based on the age and ability level, where applicable, of registered players. Teams train and play at Little River Park in Lee and will compete in a semi-regional league against other towns with Babe Ruth programs. A glove and helmet is required for each player. Expect 2 practices and 1+ game per week.

Practice Schedule |

ORYA is not able to offer a training schedule until all coaches have been identified and their requests/conflicts have been gathered and compared against field availability. This is an ongoing process during registration and just after.

Uniform |

Babe Ruth program uniforms were recently purchased by ORYA so their use will continue for a few more years. On one of your first practices your coaches will bring our uniform stock to practice and each player will choose a uniform that fits them. Each uniform **MUST** be returned at the end of the season.

Player Tuition |

Your player tuition for this program will account for insurance (medical & liability), equipment budget, ORYA Admin (\$30) & Capital Fund allocation (\$10), online payment processing & merchant account fees, uniform hat, umpires, porto-potties at each location, field maintenance at multiple locations,

program trophies, Babe Ruth League dues & fees and small stipend for coach education or skills coaches. Your player tuition was developed with input from, and approved by, your volunteer Advisory Group members.

All ORYA player fees are created with the goal of each sport breaking even considering each sports' own expenses and revenue. Fees are adjusted each season to ensure the program is as close to break-even as possible considering last year's numbers, expenses, current year estimates & known expenses. No profit is accounted into any ORYA program fees.

ORYA Admin | This encompasses all expenses of which most are non-sport specific and allow the organization to operate. The admin portion of player fees go toward ORYA employee salaries, workers compensation & Board liability insurance, bookkeeping & accounting services, temporary/intern staff stipends, office equipment & supplies, employer paid taxes, payroll service fees, employee benefits, postage, printing & reproduction, advertising, IT support & computer services, service subscriptions & annual dues, telephone, internet, web hosting, web support, bank charges, business travel & meals, charitable contributions, mileage/toll/parking reimbursements and other items from year to year.

ORYA Capital Fund | ORYA's Capital Fund supports new initiatives, large scale programs, and/or facility improvements. The Capital Fund is sustained by donations, grants, and program registration fees. The Capital Fund ensures ORYA's steady growth and, over time, investment in larger projects. All of ORYA's programs benefit from the Capital Fund. Expenditures from ORYA's Capital Fund must support the organization's mission and be approved by the Board of Directors.
