Program Description |

ORYA's last completely in-house program offers twice per week practices and in-house games on Saturdays. Players begin to experience more structured practice sessions where building technical skills & small sided play are more overtly apparent. Fun games and exercises are still utilized to peak interest and build skills but coaches begin to increase expectations and build towards individual skill & small sided play milestones. Saturday games are still non-result based with success still being judged on the quality of play within the game rather than the end result.

2009 & 2010 (U10) Travel Option for Experienced Players |

If you are interested in signing your U10 Academy Soccer player up for the travel team, [CLICK HERE](#) to email Academy coordinators Mike Handwork & Keith O'Brien. Mike can also answer any questions you might have about scheduling or your child's readiness to take this next step in his or her soccer development.

Uniform Ordering| (Now in Late Order)

ORYA's Academy program requires a uniform which is NOT part of your program tuition. Your uniform can be used from season to season, so you only need to purchase a uniform if you are new to the program or otherwise need a new uniform. If your uniform fits from last season you don't need a new one!

As of August 8th, all uniform orders are considered late-orders. The late-order window will be open until August 22nd. All late-orders will be processed and delivered to ORYA the week of September 10th. Uniforms will be delivered to Tibbetts field for pick up by parents during practice.

Once the late-uniform order window has closed anyone in need of a uniform must contact the ORYA office. Requests are not guaranteed after the late-order window.

Team Snap |

Your volunteer coordinators will utilize Team Snap to communicate with you this spring. This easy & user-friendly app helps keep your schedule straight and allows to and from communications with your coach. Great for last minute schedule updates and player availability, we hope this app makes your season that much easier to keep track of! Be on the lookout for a Team Snap invitation following team placement communications.

Player Tuition |

The tuition for this program accounts for insurance (medical & liability), equipment budget, ORYA Admin (\$35) & Capital Fund allocation (\$12.50), online payment processing & merchant account fees, volunteer coach background check, volunteer coach safe sport certification, volunteer coach shirts, aerosol paint for field lines, professional lining at outset of season, Team Snap, porto-potties at each location used for soccer, Tibbetts field maintenance which includes mowing, irrigation-related costs, fertilization schedule, spot treatments, aeration, etc., program soccer balls, and small stipend for coach education or skills coaches.

Your player tuition was developed with input from, and approved by, your volunteer Soccer Advisory Group members.

Program Outline Disclaimer |

ORYA Soccer has created the program outline above to accommodate the program numbers historically seen at this age group. As numbers dictate, ORYA may change the program approach to offer players a developmentally appropriate program based on number of players, age groups, ability levels, etc. of those that participate in the program.
