Program Description |

ORYA's youngest soccer program meets once per week and utilizes stations during each session to introduce players to fun games which focus on a specific skill being introduced. Players move from station to station, use their imaginations, build coordination and, hopefully, begin to develop a life-long passion for the sport. We're always in need of a few extra volunteers to support the program and will provide a full curriculum for the program.

Uniform Ordering| (Now in Late Order)

ORYA's Academy program requires a uniform which is NOT part of your program tuition. Your uniform can be used from season to season, so you only need to purchase a uniform if you are new to the program or otherwise need a new uniform. If your uniform fits from last season you don't need a new one!

As of August 8th, all uniform orders are considered late-orders. The late-order window will be open until August 22nd. All late-orders will be processed and delivered to ORYA the week of September 10th. Uniforms will be delivered to Tibbetts field for pick up by parents during practice.

Once the late-uniform order window has closed anyone in need of a uniform must contact the ORYA office. Requests are not guaranteed after the late-order window.

[COLLINS SPORTS WEBSTORE](#) | Enter Code 92957 for your late-order Academy uniform

Team Snap |

Your volunteer coordinators will utilize Team Snap to communicate with you this spring. This easy & user-friendly app helps keep your schedule straight and allows to and from communications with your coach. Great for last minute schedule updates and player availability, we hope this app makes your season that much easier to keep track of! Be on the lookout for a Team Snap invitation following team placement communications.

Coaches |

All of your program coaches and coordinators are volunteers. In addition to the MANY hours they spend on the field and preparing for practices they also have coach meetings prior the season, submit a background check and take an hour plus Safe Sport certification. Some coaches also travel to participate in additional coaching education classes or certifications to better prepare for the season.

Please be conscious of your coach's dedication to your player and be prompt with responses when requested. If you're able to support the program in any way – help coach, move goals & equipment, re-line fields, develop fundraising initiatives, solicit sponsors, etc. please don't hesitate to reach out to your coaches, coordinators or ORYA office.

Player Tuition |

The tuition for this program accounts for insurance (medical & liability), equipment budget, ORYA Admin (\$35) & Capital Fund allocation (\$12.50), online payment processing & merchant account fees, volunteer coach background check, volunteer coach safe sport certification, volunteer coach shirts, aerosol paint for field lines, professional lining at outset of season, Team Snap, porto-potties at each location used for soccer, Tibbetts field maintenance which includes mowing, irrigation-related costs, fertilization schedule, spot treatments, aeration, etc., program soccer balls, and small stipend for coach education or skills coaches.

Your player tuition was developed with input from, and approved by, your volunteer Soccer Advisory Group members.

Program Outline Disclaimer |

ORYA Soccer has created the program outline above to accommodate the program numbers historically seen at this age group. As numbers dictate, ORYA may change the program approach to offer players a developmentally appropriate program based on number of players, age groups, ability levels, etc. of those that participate in the program.
