PROGRAM DESCRIPTION |

ORYA's baseball camp will help our young players get additional time on the field following the short spring season while working on key fundamentals such as fielding, hitting, throwing, and baserunning. Through fun games and exercises our objective is to offer a fun & welcoming environment where players can build on their passion for the game while making improvements to their overall game. Players will have a break halfway through the day so please pack a healthy snack and plenty of water.

WHAT TO BRING |

Each participant should bring their glove, helmet, personal bat if desired, clothes appropriate for the weather, sunblock, a small healthy snack, a full water bottle and any other equipment they would normally bring to a baseball practice.

Please also have regular sneakers in the event of poor weather. If the weather is poor they will seek shelter where cleats are not allowed.

COMMUNICATIONS |

Shortly after the registration deadline ORYA staff will reach out to confirm your registration and offer a reminder about program dates and what to bring. Those that register after the deadline will receive a welcome note by the end of the day Friday, June 28th. If you register for the program after the end of the day of June 28th please call Greg Lingley at 603-815-2054 to receive your welcome note.

COACHES |

Your head coach will be Cam Calato, ORHS's varsity baseball coach. Cam is interested in building on your player's passion for baseball at the younger age groups in hopes they continue

with the sport through high school and beyond. Assisting Cam, depending on program registration numbers, will be current or former ORHS Varsity and JV baseball athletes.

PLAYER TUITION |

ORYA summer camp programs are facilitated only by the ORYA office staff – not volunteer program AG's. Our summer camps are fundraisers for ORYA. Player tuitions are determined based on known or expected expenses and what is deemed as acceptable for the type & duration of program.
