PROGRAM DESCRIPTION |

This skills clinic will focus on skating and stick-handling to keep players in shape and developing skills and habits for the upcoming season. ORYA, USA Hockey certified coaches will provide a fun environment where each player is challenged to improve their abilities. Sessions will be held on Friday mornings at the Dover Ice Arena from 7:00-8:00am. Open to all players of appropriate age groups. You do not have to be a current ORYA hockey player. We look forward to work with your player this summer!

*Please note this is not a learn to skate program. All players are expected to have had at least one season experience with a hockey team or have been selected for a team for the 2019-2020 season.

WHAT TO BRING |

Each participant should have all required hockey equipment as they would for a normal hockey practice.

COMMUNICATIONS |

Shortly after the registration deadline ORYA staff will reach out to confirm your registration and offer a reminder about program dates. Those that register after the deadline will receive a welcome note by the end of the day Wednesday, July 3rd. If you register for the program after the end of the day of June 28th please call Greg Lingley at 603-815-2054 to receive your welcome note.

COACHES |

Your player(s) will work with regular season ORYA hockey coaches. All coaches are USA Hockey certified and will bring an upbeat and welcoming attitude to all sessions.

PLAYER TUITION |

ORYA summer camp programs are facilitated by the ORYA office staff – not the typical Advisory Groups. Our summer camps are fundraisers for ORYA to help make up for the reduction of funding from the communities we serve. Player tuitions are determined based on known or expected expenses and what is deemed as acceptable for the type & duration of program.
